

LHC News
Summer 2022
Welcome to our
latest newsletter

We Have Fabulous Office News

A big welcome to Rachel and Beth our new Supervisors

Also a big welcome to Faye who is our new co-ordinator

All have joined Team LHC since our last newsletter and come with a wealth of experience and knowledge in care and have settled in well.

The hydration station has now been decorated and set up for the summer so you can all pop into the office and grab a drink and snacks

We are also launching a Brand New walking round!!!

Keep your eyes peeled on our Facebook page for recruitment positions

We have had lots of new community carers joining our team so training has been underway in the office paving the way for the new rounds.

We also had Hollie come join us in the office for her work experience for 2 weeks to experience the day-to-day life in social care to give her an insight of the industry. Hollie completed the training modules and earned the certificate.

Now recruiting community carers, make a difference and help in serving your local community, for details Tel 01909 771211
